Dear Tom,

I just wanted to send you a quick note to thank you for the work you did on the video for Yvonne Camus.

Yvonne Camus is a fantastic speaker and you were able to capture the atmosphere in the room perfectly. We have used the tape you edited of Yvonne's speech and lent it to organizations that are interested in booking Yvonne for their own conferences. The feedback we have received from the tape has been fantastic. You were able to include many of the important slides and videos that Yvonne uses throughout her presentation.

The video has given many prospective clients a great way to view Yvonne in action without having to attend a conference.

Thanks again and if there is a need for another speaker video I will be in touch.

Kind Regards,

Michael Downes
