To whom it may concern:

As a 35 year broadcast professional and independent producer, I would like to recommend Tom Pauncz of 30WEST MEDIA GROUP for your consideration.

I have had the privilege of working with Tom under high stress, demanding corporate training situations in the Toronto area for last past few years. Tom repeatedly brings a high level of professionalism and talent to our projects.

Tom's insight and knowledge of the video production process is evident in his high quality work and commitment to excellence. In addition to quality, Tom tempers his work with maturity and experience that sets him apart from most newcomers in this industry. His knowledge of equipment, formats and techniques makes him an excellent choice for independent, corporate and government productions.

I welcome your questions concerning Tom. Please give him serious consideration for your next production!

Sincerely,

Butch Moore, Producer
